

**The Audi A6**

A close-up, side-profile shot of a woman with wavy red hair driving a car. She is looking out the window with a calm expression. The car's interior, including the steering wheel and dashboard, is visible. The background is a blurred outdoor scene, suggesting motion.

Take the time to  
enjoy comfort.

**Introducing  
the Audi A6**

## Design that makes time stop

The striking design of the Audi A6 not only catches the eye, but also stops time in its tracks. It's powerful stance and upright Singleframe serve to highlight its athletic width.

Get more out  
of the day

Don't orient yourself by the sun. The HD Matrix headlights in your Audi A6 offers you outstanding illumination of the road at night. Thanks to fully variable light control, you will enjoy cornering light and automatic dimming for incoming traffic.

The dynamic indicator and daytime running lights provide an innovative visual highlight. Be unmistakable throughout the day and don't stop even after the sun goes down.

A high-angle, interior view of an Audi car's cockpit. The steering wheel is on the left, and the dashboard features a large digital display showing navigation and vehicle data. The center console has a touch screen and a gear shifter. The seats are upholstered in dark leather with perforated sections. The background shows a vast, flat landscape under a cloudy sky.

## The possibilities are endless

Tailor your driving time to your expectations. With the Audi MMI navigation plus, you can choose what driving information is displayed on the high resolution 25.6cm HD touch display or in the 31.2cm HD Audi virtual cockpit.

Haptic feedback on the touchscreens confirms each selection and gives you a quick and intuitive way of operating all functions.

**Living in the  
moment**

With a 4-zone climate control system, each person will ride comfortably in the journey. While the electric sunshade helps to prevent harsh sunlight from entering the car on sunny days.

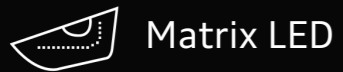

The journey home could be a unique moment with ambient light that bathes your interior in one of 30 colours.
