

**The Audi A7 Sportback**

**Its not about the destination.  
But the journey.**

# Introducing the Audi A7 Sportback

 340hp

 500Nm

 0 to 100km/h  
in 5.3s

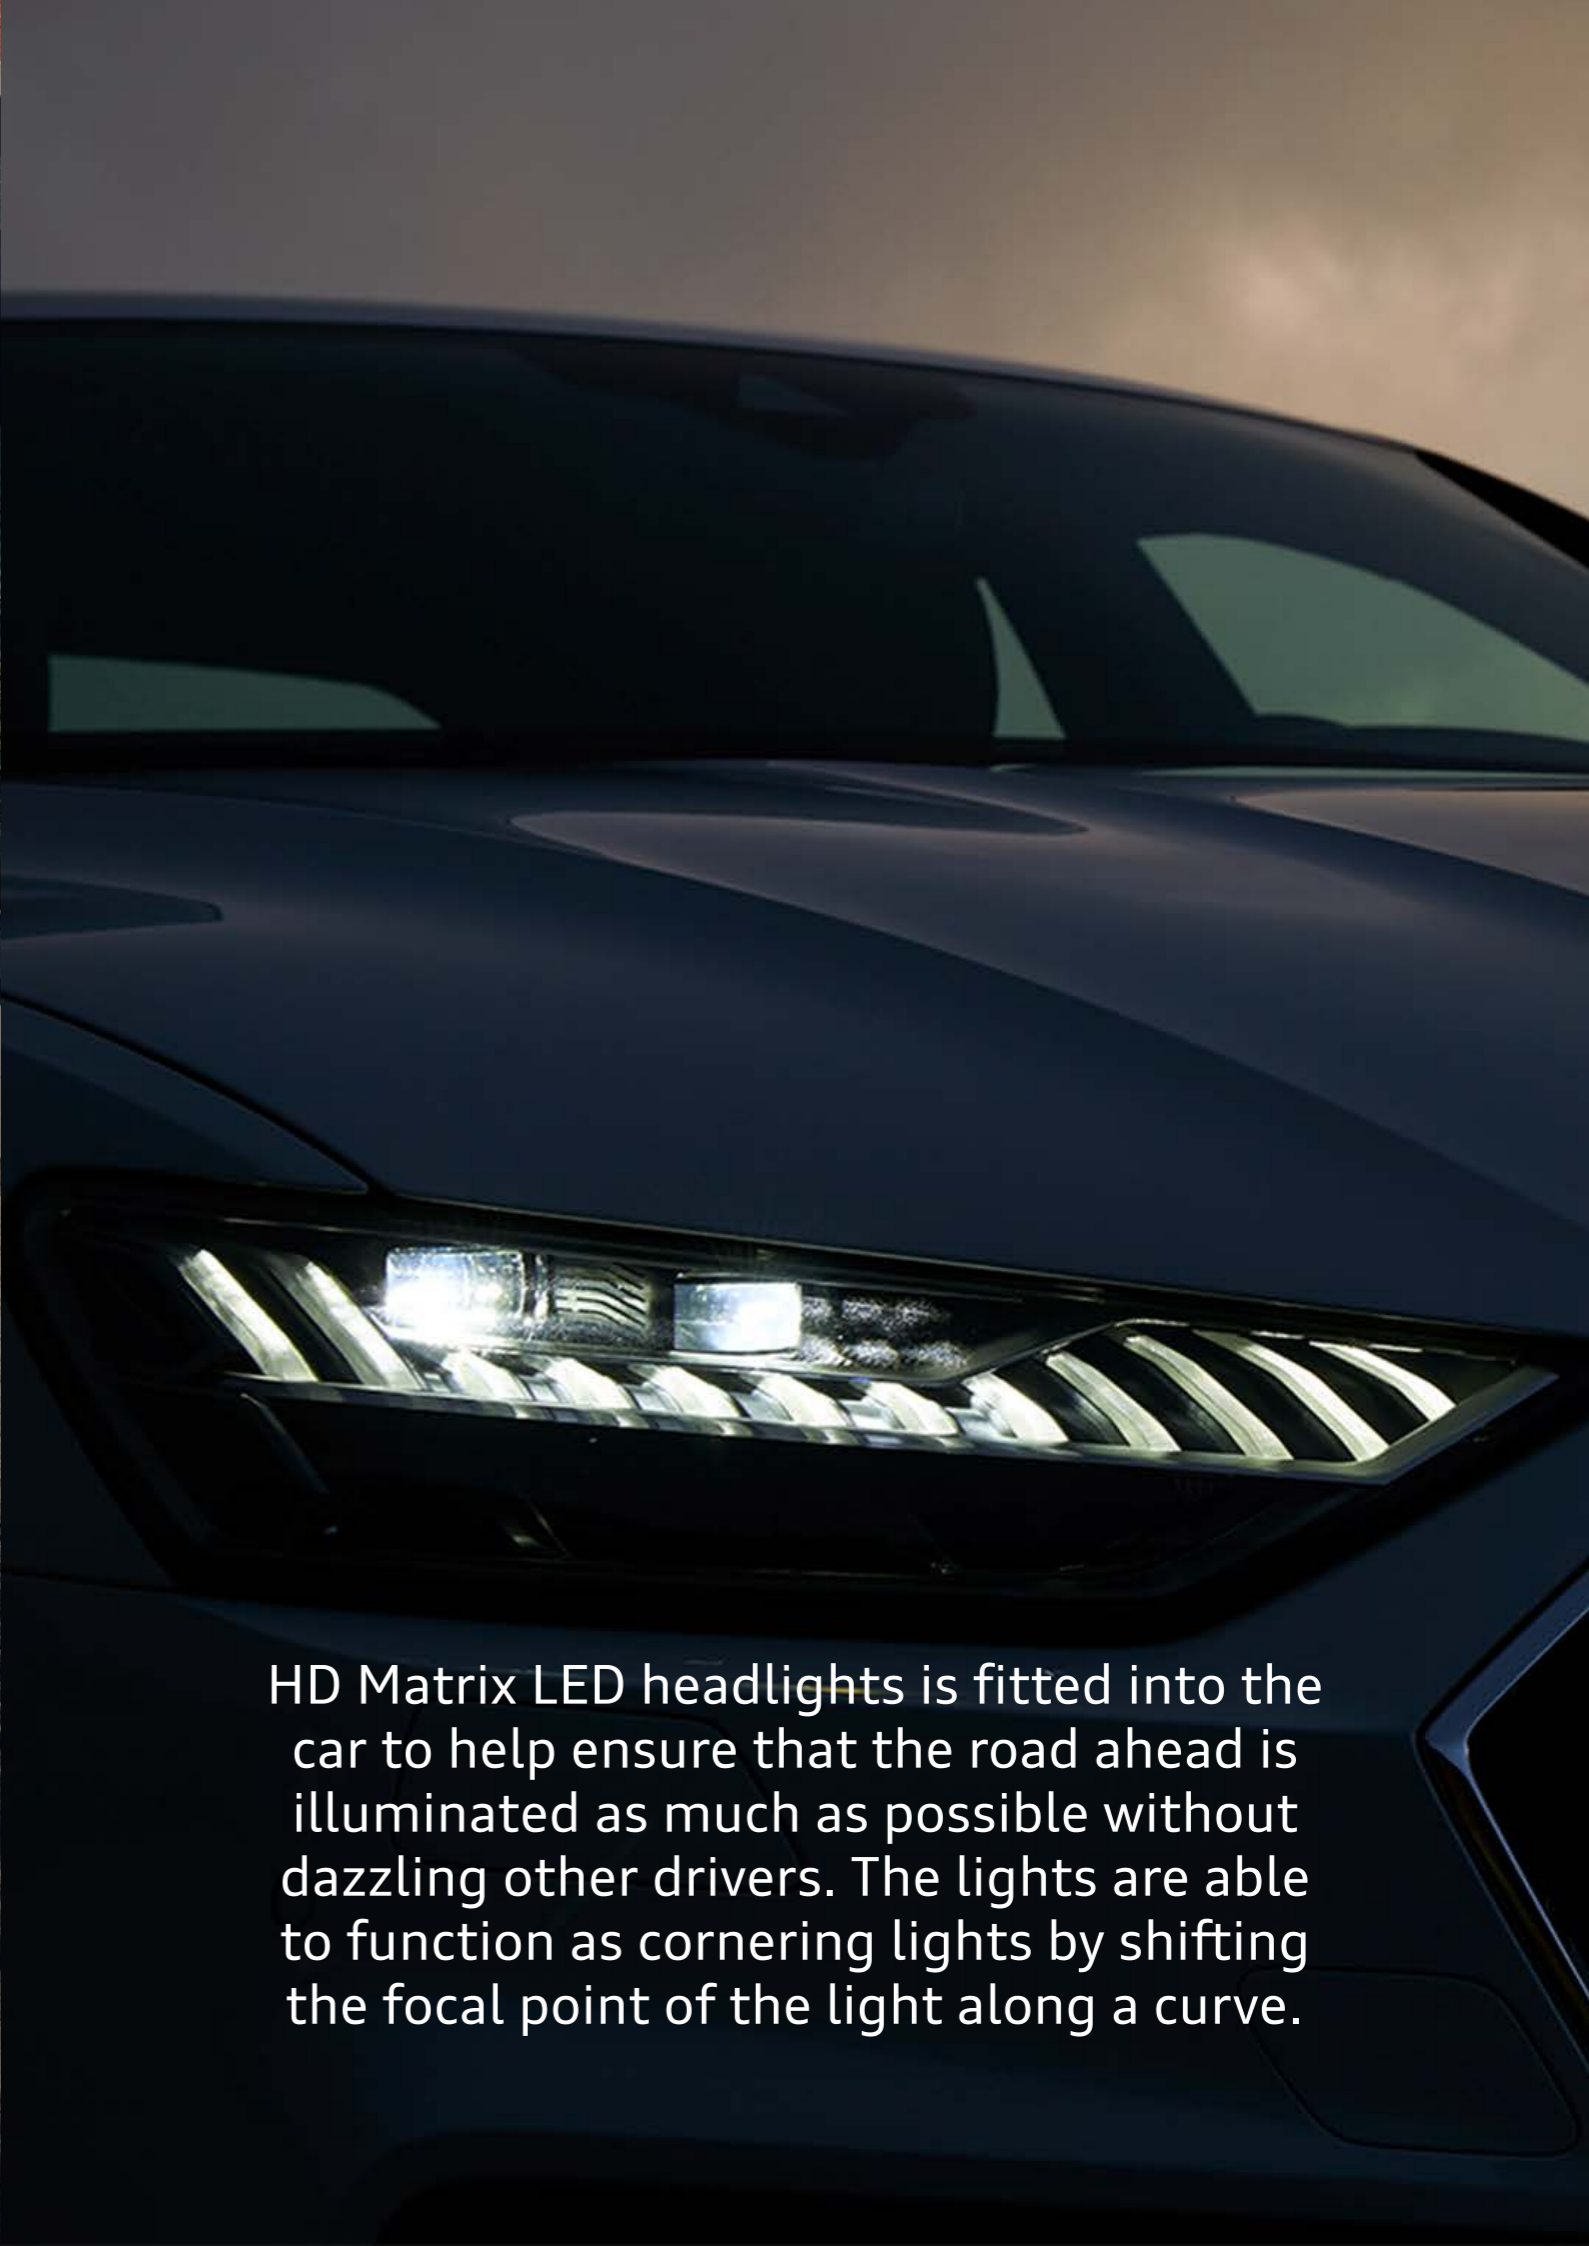

## A class of its own

The design of a coupe, the space of a saloon and the variability of an Avant, the Audi A7 Sportback focuses on spaciousness and a high level of comfort in the rear without sacrificing luggage compartment volume by featuring a luggage compartment size of 535 liters.

Thanks to the suspension with damper control, the Audi A7 Sportback combines the performance of a sports car with the refinement of driving a luxury saloon.

HD Matrix LED headlights is fitted into the car to help ensure that the road ahead is illuminated as much as possible without dazzling other drivers. The lights are able to function as cornering lights by shifting the focal point of the light along a curve.

 quattro All Wheel Drive  
with ultra technology

With quattro and ultra technology on board, the driving experience is further enhanced as it offers exceptional versatility and handling. So that you know, you're always in control.

At the front of the driver sits the Audi virtual cockpit plus, the digital driver's display that will show you all sorts of information including a full screen map for easier navigation.

At your fingertips, the MMI touch response offers intuitive technology that is just as easy to use as your smartphone. Placing you in command via a driver centric, interactive display with haptic feedback for easier access during your journey

**What makes a great  
journey with a  
powerful car even  
better?**

**A great soundtrack.**

The Bang and Olufsen Premium Sound System with 3D sound comes equipped in the Audi A7 Sportback.

It'll make you feel as if you're in a movie.

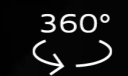

# An extra pair of eyes

A suite of safety features comes equipped with the Audi A7 Sportback.

Providing you an extra set of eyes on your journey so that you arrive at your destination safely and without worry.
