The Audi Q5 Sportback

The SUV Refined
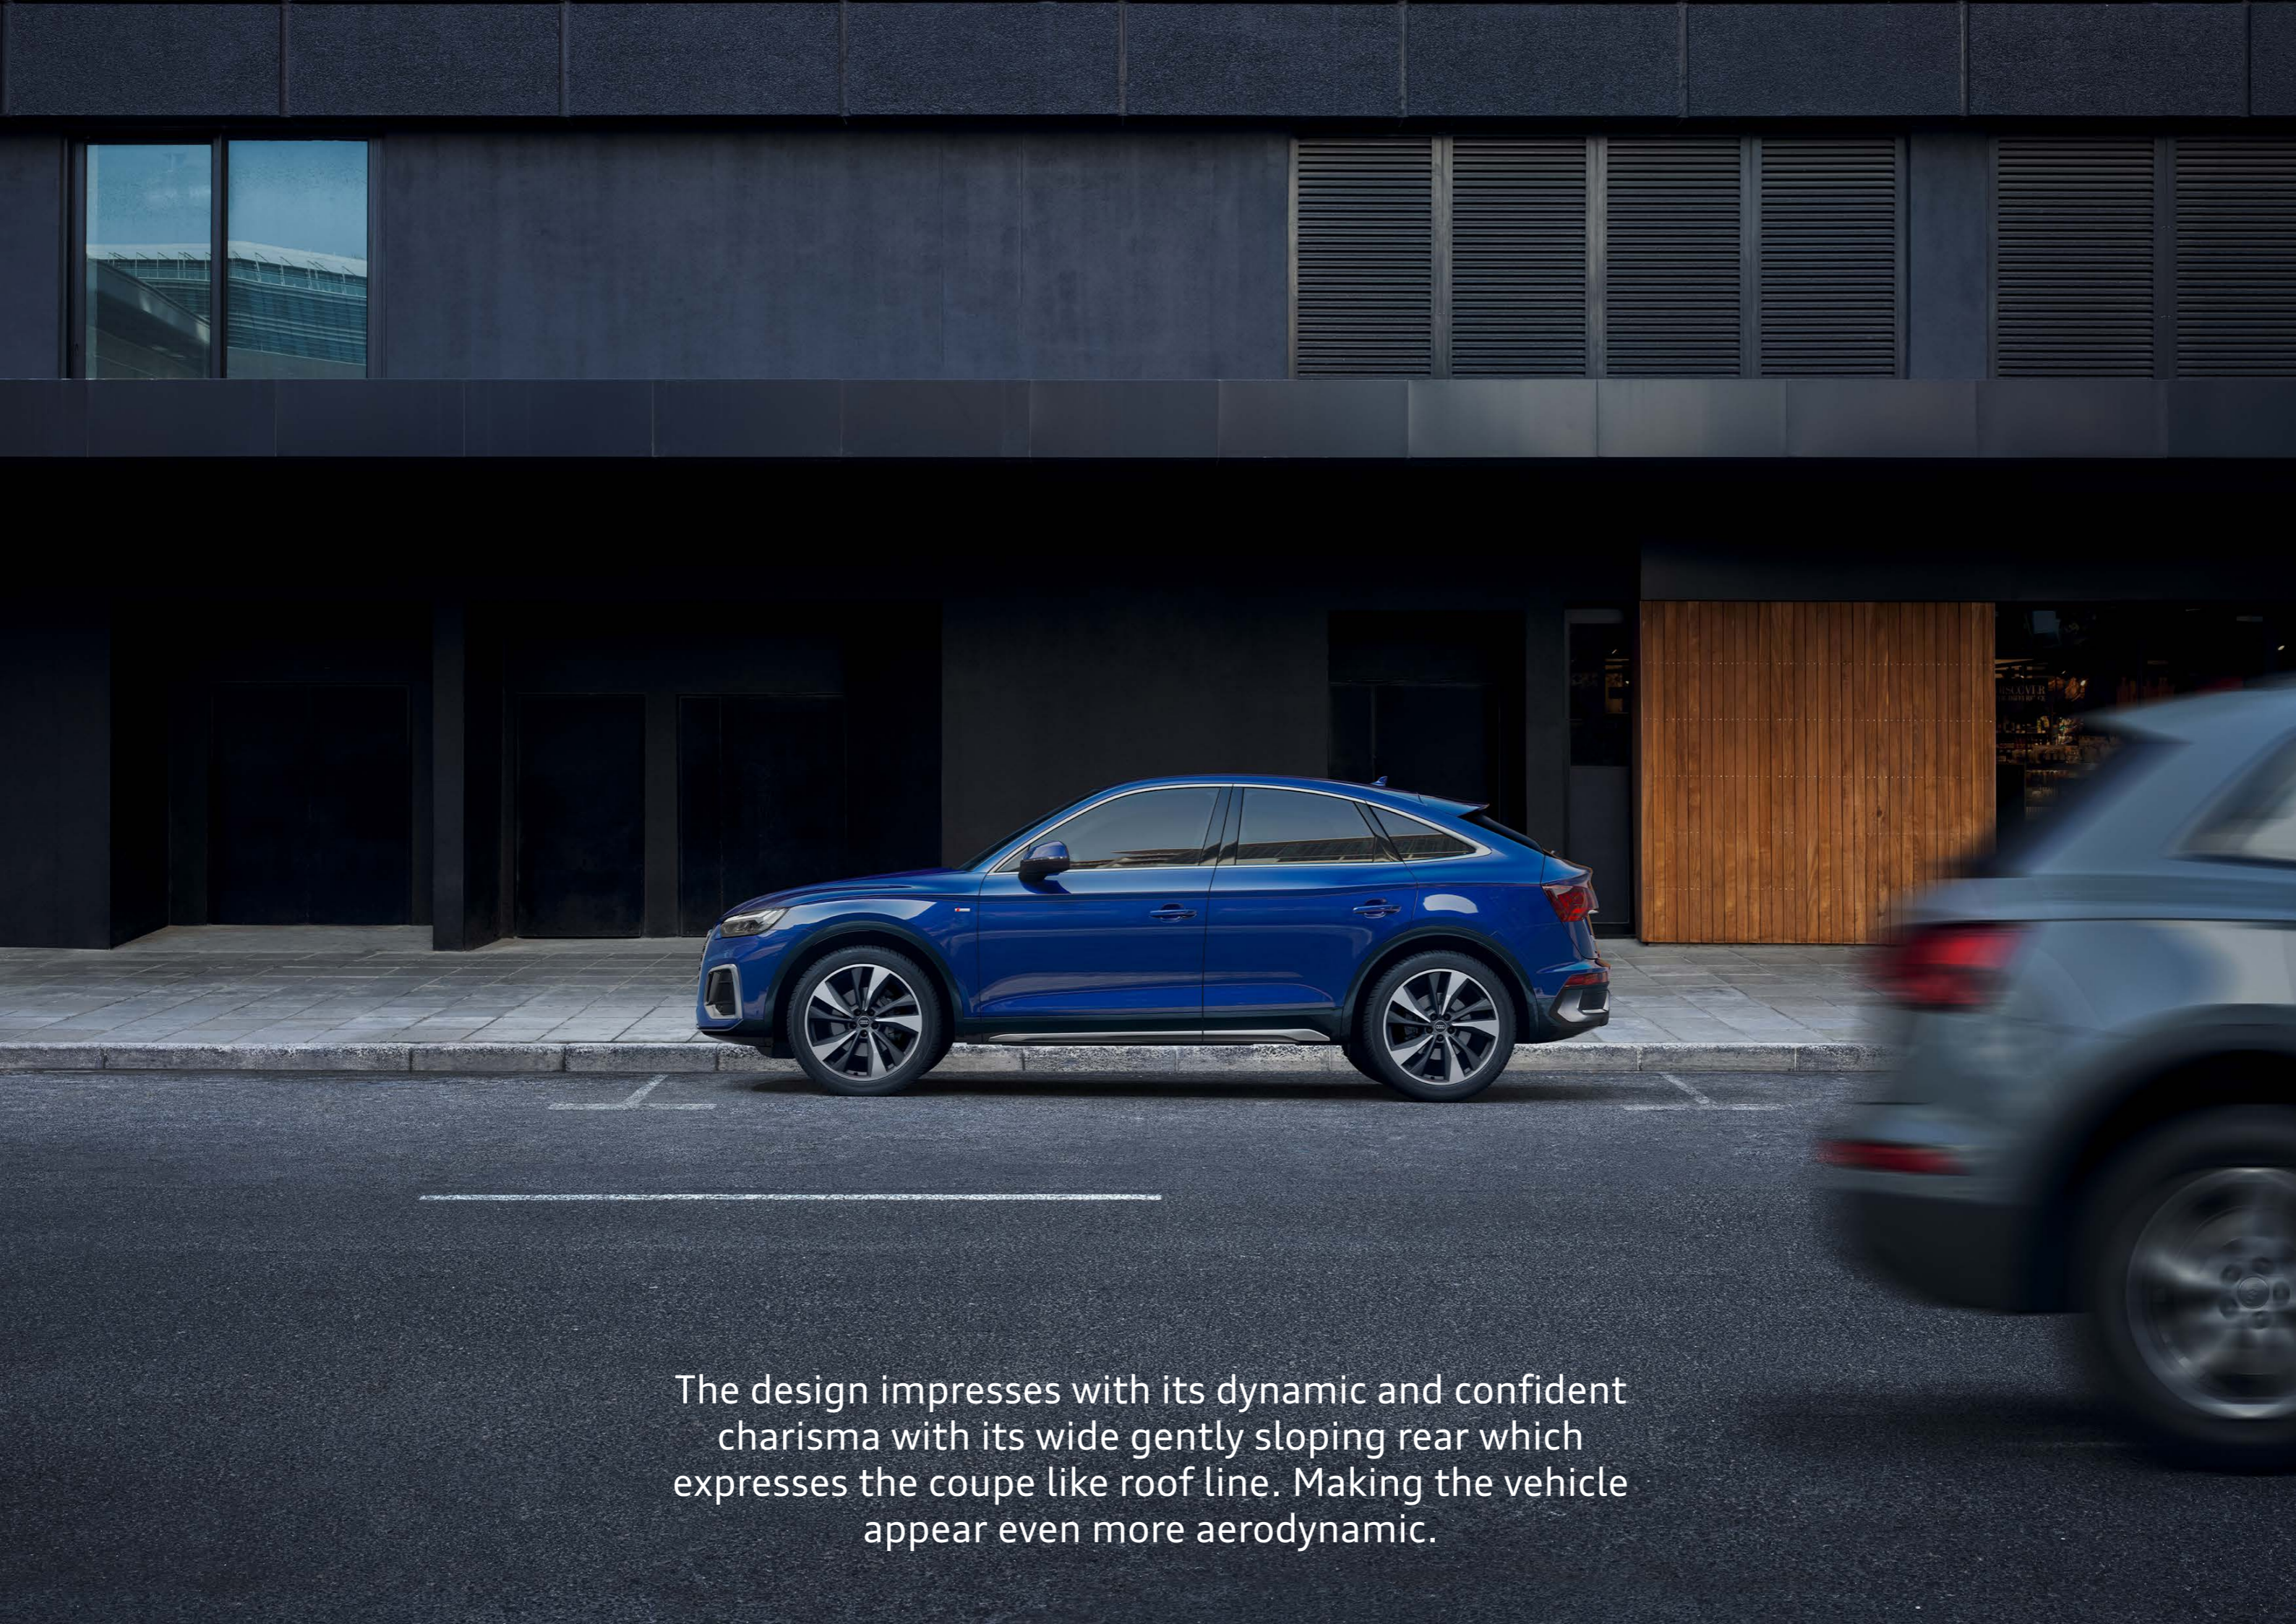

Introducing
the Audi Q5 Sportback

249hp

237km/h

7.4L- 7.6L / 100km

The design impresses with its dynamic and confident charisma with its wide gently sloping rear which expresses the coupe like roof line. Making the vehicle appear even more aerodynamic.

The front of the Audi Q5 Sportback, with its distinctive air inlets and flat, wide Audi Singleframe with honeycomb look, exudes self-confidence that is second to none.

The Audi Q5 Sportback inspires with spontaneous, dynamic acceleration and agile handling. Fitted with quattro All Wheel Drive with ultra technology as standard, it constantly monitors the driving status and distributes the drive torque to the wheels as required.

Functional and stylish

The interior of the Audi Q5 Sportback is as stylish as it is functional. Featuring a large 12.3" Audi virtual cockpit for the driver and a large 12.3" MMI touch display which offers acoustic and haptic feedback for easy operation during driving

Flexible rear seat bench that consists of three segments can be folded down individually or together is particularly practical, providing you with more luggage space or passenger space when needed.

Even with the gently sloping rear roof line, the Audi Q5 Sportback offers plenty of space for the people, including comfortable headroom and legroom.

S for safety

The Audi Q5 Sportback comes equipped with a number of driving assistance to help make that journey a relaxing one while keeping you safe on the road.
